experience is second to none.

The Art of Self Expression

Every detail, every accent and every
loving touch within your home is a
demonstration of your artistry. Now you can expand
the range of your creative expression to include the
beauty and joy of floral painting. The Bob Ross Flower

Painting Technique, developed by Bob, with his painting
partner Annette, is simple and easy to learn. Painting
exquisite florals will be an endless source of satisfaction
and a gift to yourself that will last a lifetime.

You can paint any of these
beautiful florals plus
many more from the wide
range of simple-to-follow
instructional materials
available.

Hundreds of qualified,
certified Instructors are
available throughout the country
for personalized painting
instruction.

Bob Ross
Annette Kowalski, artist, teacher
and author of the Bob Ross Joy of
Painting books, makes floral painting easy
to master. Visit your local art/craft store and ask
for the Bob Ross art materials designed for floral
and landscape painting success.
